Loudon County Commissioners,

It had been brought to the attention of this office that the road along the piece of property located on Maple Hill Road, referenced by Tax Map 50, Parcel 70.01, was never properly named. This road is situated between the old Davis School and the property mentioned above.

This department has always maintained the unnamed as part of Maple Hill Road. Due to the possibility of future development of this parcel we feel it necessary to properly name this road and put it on the County Road List as Davis School Road .108 Miles. This office does not possess the power to name it, but it is being proposed by the 911 Addressing and Mapping Department as Davis School Road.

Thank you for your consideration.

Eddie Simpson, Road Superintendent
