COUNTY COMMISSION OF LOUDON COUNTY

RESOLUTION NO. 27-86

RESOLUTION FOR FOUR-LANING OF U.S. HIGHWAY 321

WHEREAS, the redesignation of State Highway 95 as U.S. Highway 321, and further its designation as a Tennessee Scenic Highway, has greatly increased the traffic flow on this highway, this also being true because of its use as an access across Fort Loudoun Lake to the Knoxville Municipal Airport, Alcoa, Blount County, Gatlinburg, Pigeon Forge, Dollywood, and the Smoky Mountains, as well as its having become a primary commercial street in the City of Lenoir City; and

WHEREAS, the Cooper Communities development in Loudon County, together with the development of the Tellico Reservoir Development Agency Industrial Park and the Monroe County Niles Ferry Industrial Park, will result in a heavily increased use of U.S. Highway 321 between Broadway (U.S. Highway 11) in Lenoir City across the Tennessee River as well as toward Maryville and the Knoxville Municipal Airport; and

WHEREAS, it would be mutually beneficial to residents in these two urban areas as well as to visitors, tourists, and residents in surrounding areas, that U.S. State Highway 321 be widened to four (4) lanes from the intersection of U.S. 11 (Broadway) in Lenoir City to the existing four lane portion of U.S. Highway 321 at the Blount County boundary line; and

WHEREAS, as part of the requested project it is vital that an overpass be constructed over Broadway (U.S. 11) in Lenoir City, but that accessibility to Broadway off and on Highway 95-321 is crucial to the Lenoir City downtown development;

NOW, THEREFORE, BE IT RESOLVED on this the 5th day of May, 1986, that the Loudon County Commission formally endorses the widening by the State of Tennessee of U.S. Highway 321 to a four-lane thoroughfare through Loudon County as herein described to accommodate the present and future volume of traffic, and to

Exhibit C

increase the potential for economic growth for this area;

BE IT FURTHER RESOLVED that an overpass-interchange at the Broadway intersection be requested to be included in the improvement project as being vital to downtown Lenoir City; and

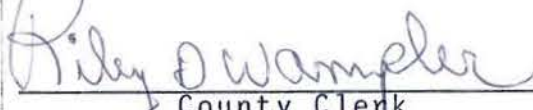

BE IT FURTHER RESOLVED that the Tennessee Department of Transportation and the Governor of the Great State of Tennessee are hereby requested to begin the immediate planning and scheduling for construction of this project.

BE IT FURTHER RESOLVED, that copies of this resolution be forwarded to the above-named State officials as well as to members of Congress whose constituents are residents of the Counties that would be affected by the completion of this project for the purpose of receiving whatever assistance members of Congress can give through the Federal Highway Administration.
