Covid Leave Policy

AGENDA ITEM # 7A

Loudon County Government
COVID-19 Leave Policy (temporary)

Due to the COVID-19 pandemic, Loudon County is instituting this temporary policy to address paid time off in certain circumstances. This policy will be effective as of January 1, 2021 and will continue only through December 31, 2021, unless extended by County Commission.

The County recognizes the impact of the pandemic to our employees and has put in place temporary measures to alleviate concerns related to time off for positive COVID tests during the pandemic period. This policy provides for paid leave (in addition to the employee's sick leave and annual leave) to be used in specific situations ("COVID Leave").

All regular full-time and part-time employees are provided up to a maximum of two (2) weeks of COVID Leave to be used during the policy period. Two weeks for full-time employees is calculated at eighty (80) hours, and for part-time employees, it is calculated at an average number of hours worked over a two-week period, not to exceed sixty (60) hours total for the two-week period. COVID Leave will only be provided to County employees in the following situations:

(1) Employees who have received a positive COVID-19 test from a doctor or medical facility and are unable to work from home either due to their illness or the inability of the County to provide remote work. COVID Leave is only provided for the period of time the employee is under a treating medical provider's order to remain at home due to the COVID positive test, up to the maximum number of hours listed above. In order to utilize COVID Leave, employees must notify the supervising County official and are required to submit a medical statement signed by a licensed physician certifying that the employee has been diagnosed with COVID-19 due to a positive test result.

(2) Employees who have been directly exposed to COVID-19 by being in close contact (as defined by the Center for Disease Control) with someone who is positive for COVID-19, are provided up to a maximum of forty (40) hours as COVID Leave, provided that the employee seeks a COVID-19 test. If the COVID-19 test is negative, the employee's COVID Leave is capped at forty (40) hours. If the COVID-19 test is positive, the employee is permitted to utilize the remainder of the two-week maximum for COVID Leave listed above. In order to utilize COVID Leave for this reason, the employee must submit documentation evidencing the COVID-19 test, whether positive or negative.

If the supervising County official believes that there is work the employee can perform from home, and the affected employee is able to and chooses to work from home, the employee may work from home without utilizing COVID Leave. However, an employee is not required to work from home rather than use COVID Leave if the employee is eligible for COVID Leave.

COVID Leave does not count as hours worked and is not included in an employee's regular rate for overtime purposes. Absences which are covered by COVID Leave and which qualify under the FMLA count toward an eligible employee's entitlement under the FMLA.

COVID Leave will not be paid out or converted to Sick or Annual leave if it is not used. COVID Leave is only for use with a positive COVID test of an employee. Employees are not permitted to donate COVID Leave time to any other County employee.

COVID Leave Request Form

COVID Leave is available to County employees who have either (1) received a positive COVID test from a doctor or medical facility, or (2) been directly exposed to COVID-19 by being in close contact with someone who is positive for COVID-19, and are unable to work from home either due to their illness or the inability of the County to provide remote work.

This form is provided as a request form for COVID-19 Leave Policy passed by the County, and that policy controls circumstances of leave. The COVID-19 Leave Policy expires on December 31, 2021.

To be completed by Employee:
