Road Superintendent

Loudon County Road List

Office of Billy Pickel
LOUDON COUNTY, ROAD SUPERINTENDENT

292 Blair Bend Drive, Loudon, Tennessee 37774

January 11, 2023

Greetings,

Thank you for taking time to assist me in some housekeeping items. There are two documents that must be filed with the Loudon County Legislative Body. The inventory sheet and the road list.

The inventory sheet is to be done upon a new Road Superintendent taking office. This document must be signed by the newly elected official and the outgoing official. I asked the procurement department to supply me with this document. Upon my request it was brought to my attention that the system they use was not working correctly and screenshots had to be done manually. Mr. Simpson and I both reviewed these documents and approved it. A State Comptroller was present when we signed this document.

The road list is a document you are most familiar with that is adopted as needed with additional roads added as the County Commission approves road to be added. It is customary to do this at least once a year, at the first of the calendar year.

The logo or seal used by the Loudon County Highway Department. This is only being recorded in the minutes by the Chairman of the Loudon County Commission for historical purposes. The seal of the Loudon County Highway is a red and blue band circle with the outer, red band reading, Loudon County, typed at the top, heads of wheat on the sides and the motto Drive Safely typed on the bottom, the inner blue band reads Highway on the top and Department on the bottom. The center of the seal has the official seal of Loudon County Government, with was adopted on November 17, 1969

Thank you again for your consideration.

Drive Safely,

Billy Pickel, Loudon County Road Superintendent

Commissioners,

We are currently working with our partners at CTAS to move our current workorder program over to a new web-based system. We cannot physically add any roads to the data base during this transition. I spoke with the CTAS representative concerning this, and they figure that they will have all of our data moved by February and we can then add the newly accepted roads then.

The roads that we need to add to the current road list are:

Gail Lane is 26' wide (curbed) .4 miles long
Mandy Lane is 26' wide (curbed) .2 miles long
Cate Lane is 26' wide (curbed) .1 mile long
Emily Lane is 26' wide (curbed) 406' long
Lilly Lane is 26' wide (curbed) 200' long

North Wilkerson Road is 26' wide (curbed) .6 miles long
Wilkerson Road *after abandonment of portion* is 16' wide and .4 miles long

As soon as we are able to verify that everything was moved to the new system and is working properly, we will add these roads physically to the list along with any other correction that might need to be made.

Drive Safely

Billy Pickel, Loudon County Road Superintendent
