Resolution 56-79
Exhibits A

TO: Judge William H. Russell and Members of the Loudon County Commission

FROM: David Folz, Staff Planner

DATE: April 2, 1979

SUBJECT: GENERAL REPORT - LOUDON COUNTY REGIONAL PLANNING COMMISSION

The Loudon County Regional Planning Commission met in called session on March 14, 1979, and considered the following items:

1. Voted unanimously not to recommend the rezoning of Parcel 38, Map 15 from A-2, Rural Residential to C-2, General Commercial as requested by the property owner Mr. Freeman R. Dishner. The commission felt it would be a spot zoning not in conformance with the land use plan and that it would adversely affect adjacent property values. A public hearing on the rezoning request has been scheduled for the May meeting of the County Commission.
2. Heard a presentation by Mr. Wallace Harvey who represented a group of residents that live off Shaw Ferry Road. Mr. Harvey and members of the community expressed a serious concern over the operation of a junkyard by Mr. C. Wilson. They explained that the junkyard was a health hazard, an eyesore, and with the 18-wheel trucks which often park on the roadside, it also constituted a road hazard especially since Shaw Ferry is very narrow. The planning commission recommended that the Building Commissioner swear out a state warrant and proceed with the legal enforcement of the provisions of the Zoning Resolution.
3. Heard the Building Commissioner's report, the Road Engineer's report and the Staff report.
