Commissioners:

It is with pleasure that I write a letter of recommendation on behalf of my colleague and friend, Laura Standridge. Laura and I have known each other and worked together for more years than I care to admit. I have witnessed, first hand, her abilities in the clerk's office.

Laura has been a deputy clerk for over 20 years and has been a senior deputy clerk since 2011. During that period, I have worked as a private attorney, a public defender and currently as the chief deputy assistant district attorney general in the ninth judicial district. In those roles, I can make this observation. She exemplifies what a county employee should be. She has both the ability to deal with the public and the competency to perform the duties of circuit court clerk.

Having been a Loudon County Commissioner myself and now a member of the district attorney general's office, I realize how truly important a decision this is for you to make. The position of circuit court clerk is an important one to the workings of the judicial system in our county.

In conclusion, I would highly recommend Laura Standridge for the position of Circuit Court Clerk for Loudon County. She will be an asset to our citizens and to you as commissioners.

Please feel free to contact me if I can provide further information.

Sincerely,

Lee Eblen Aikens

November 12, 2018

Dear Commissioners:

I, Laura Standridge, would like to inform the Loudon County Commissioners that I would like being considered in the opening for the Circuit Court Clerk position.

Due to the unforeseen circumstances, I would be grateful for the support and nominations of the Loudon County Commission Board, so I may continue the forward progress of the courts supported under this position.

As some may or may not be aware of, I have worked in General Sessions Court for 20 years and have been in the position as Senior Deputy Clerk since June 2011. I have worked hand in hand with several of the people currently holding positions in this office, to which they have given me the upmost respect and support.

As one of the supervisors in General Sessions office, I currently work in conjunction with many of the agencies in the county. I was appointed as part time Judicial Commissioner and have served in that position since September 2015. I have also worked in other courts in our office such as Circuit, juvenile, divorce, civil, traffic and criminal court. I have also worked in our bookkeeping department and I am currently over the criminal division in our office. All of these courts and position demand the experience and understanding of the process each court has to follow to be in compliance with T.C.A. that each court is expected to follow.

I would like to express to each member of the board that I have the ability and knowledge to continue the advancement of the courts in Loudon County.

I continue to further my understanding and knowledge each year through training and conferences of the ever changing and current laws which must be acknowledged to maintain the high standard to perform the duties of this office.

I will continue to work side by side with the members who currently serve this county and with your support, it would be my pleasure to continue the advancement of this position while serving the citizens of Loudon County.

Thank you for your time and consideration,

Laura Standridge

Loudon County Commissioners
Loudon, TN 37774

Dear Loudon County Commissioner;

I would like to take this opportunity to recommend Laura Standridge for the position of Loudon County Court Clerk.

I have known Laura for over 40 years and have the utmost respect for her. Her father, the late Bill Anderson, was a former police chief for the City of Loudon and this allowed me to watch her grow and mature into the fine individual she is today. She has character qualities that are most needed in this position. These qualities include (but are not limited to) honesty, loyalty, understanding, maturity, and compassion.

She has worked in the Loudon County Court Clerk's office for over 20 years. This has given her valuable experience in the daily operations of the department as well as the opportunity to develop relationships with the staff. She is well liked and respected by the staff and the law enforcement officers who work with her.

If you have questions or would like additional information please contact me at 865-755-1420 or jwebb@loudonpd.org

Regards,

James C. Webb

Ms. Hackney:

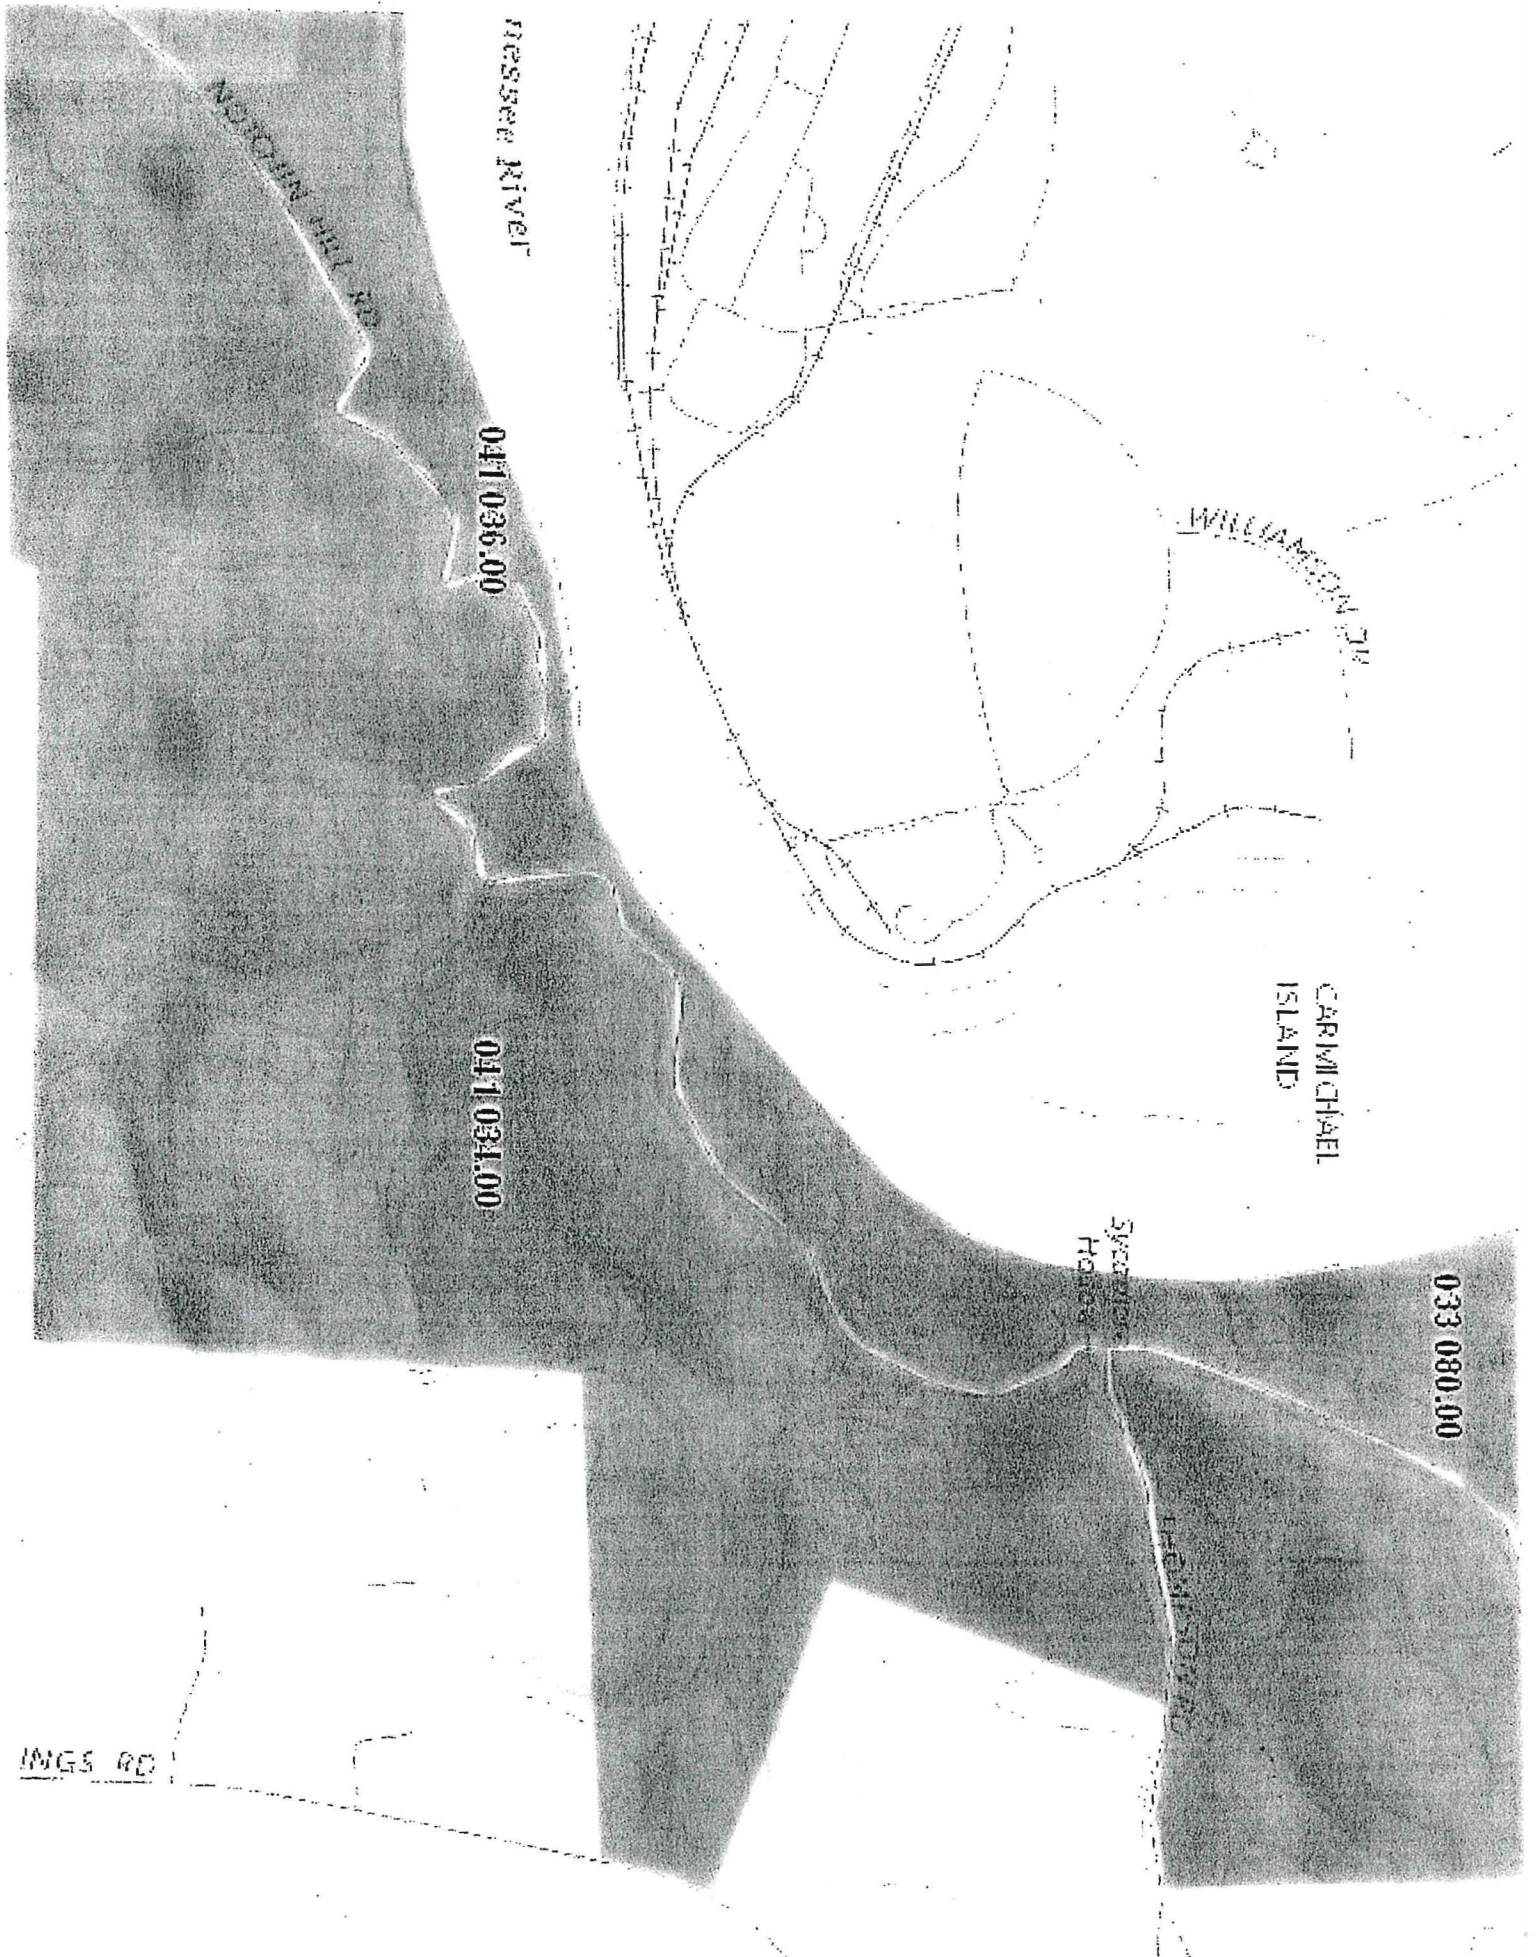

This letter is concerning your property located in Loudon County at 754 Notch in Hill Road, referenced by: Tax Map 41, Parcel 136.00. Notch in Hill Road was once a County Road, the City of Loudon annexed that road and property then later de-annexed it. Notch in Hill Road was not taken back in to the county road system due to not meeting the requirements in the Loudon County Municipal Regional Subdivision Regulations concerning road design. Notch in Hill is not a County Road.

Please, advise if additional information is needed.

SUBJECT: Written Waiver from FEMA for Non-Port Security AEL-17WC-00-BOAT

Dear Sir or Madame,

Loudon County Government is requesting a written waiver as required for non-port security. This is for allocation of grant funds for a small surface watercraft for enhanced CBRNE detection, security and response to incidents on waterways geographically separated from our principal waterways where our marine rescue boat is permanently docked. Melton Hill Dam and the Clinch River border the considerable assets and materials at the Oak Ridge DOE reservation. Our community has geo-political and geographical boundaries with the DOE reservation on these waterways.

Loudon County has three TVA Dams, three rivers and of course three separate lakes. While this proposed surface craft would be usable on all three waterways, the Melton Hill Dam reservoir and the Clinch River below it are the principal locations we need to trailer a small water craft to.

The three dams, Ft. Loudoun, Tellico, and Melton Hill are critical infrastructure and provide navigation, flood control, recreation and drinking water for communities all along the Tennessee River system. Tennessee River system begins in East Tennessee and continues on a route thorough Tennessee, Alabama to Kentucky and merges with the Ohio River at Paducah KY. This navigation route also accesses the Gulf of Mexico by way of the Tombigbee Water way through Alabama.

The Clinch River which Melton Hill Dam is located on, borders the Oak Ridge DOE reservation containing:

- the Y-12 National Security Site,
- East Tennessee Technology Park,
- Spalatial Neutron Accelerator and
- the future TVA Clinch River Modular Reactor nuclear power plant.

Each of these facilities have critical resources to our national defense, national commerce and national electric grid requiring the ability by local government jurisdictions to provide mutual aid support on the land and water ways in and around this area.

As stated earlier, Loudon County has assets which are available and able to provide such support on land and at Ft. Loudoun and Tellico water-ways. We desire to extend this capability for our Law Enforcement, Fire-Fighters, Emergency Medical Service and specialty teams of "public safety divers".

With these objectives in mind we are respectfully requesting the necessary written waiver and approval for the distribution of these funds as requested.

I am respectfully,

Daryl H Smith, Director

Loudon County Homeland Security & Emergency Management

This one has watercraft. If you recall, there are restrictions on this type of equipment **“Allowable uses for CBRNE terrorism prevention and response watercraft include protection of ports, critical waterways, dams, reservoirs, rivers, and large lakes. Allowable uses for OPSG are to increase operational activities/patrols on, near, or with a border nexus and in support of approved operations. To be eligible, these waterways must be identified as a critical asset to the state through a vulnerability assessment.”**

Since FT Loudon Dam and Lock have been designated as critical infrastructure in the past, this project is approved.
