- 2. Any other business.**

# LOUDON COUNTY JUVENILE SERVICES & DETENTION

CHRIS HILL, Director

12665 E. Lee Highway • Lenoir City, TN 37771

Date: April 20, 2026

To: Capital Projects Committee, Budget Committee, County Commission

In August 2009 Loudon County Juvenile Department began serving juvenile petitions for the Sheriff's Department. As of today, approximately 6,607 petitions have been served. I have served approximately 950 truancy notices for 12 schools, approximately 60 summons beginning in 2021, and 12 subpoenas beginning in 2023. Our department currently has one vehicle, a 2006 Chevy Impala with approximately 117,000 miles with no backup. This vehicle serves as transportation for serving petitions, and truanancies, as well as transporting juveniles that are in detention to juvenile court before Judge Henry Sledge.

I am requesting a new vehicle to replace the 2006 Impala that needs the transmission replaced again. The cost of replacing the transmission along with some maintenance items is going to cost \$3,858.70 at Dependable Auto Repair in Lenoir City. The vehicle worth according to Edmunds online, with the current condition, is valued at approximately \$400.00. I must either get a new dependable vehicle, or have the Impala fixed. I don't believe it is good use of taxpayer funds to repair this vehicle.

I have two estimates for floor replacement in key areas at the Juvenile Center I am asking for also. I have printed pictures of damaged areas. The carpet is approximately 30 years old. It is cleaned every week but doesn't help. It holds dirt and mold.

Thank you for your time and consideration of these requests. I really appreciate all that you all do for the county.

Respectfully Submitted,

Chris Hill  
Director/YSO Juvenile Services
